I know both Jessica and Greg were having problems accessing the Sharepoint site, too. I downloaded the document and sent it to them via email.

Have a great day!

Hi

Hope you all received the CARC draft thru sharepoint.

Please make the edits on sharepoint so I can see the comments

Do NOT waste time on format, paginations, tabs etc. CPR is do the "document makeover"

Concentrate on the science

Make this as your priority and your "home pope work" on Wednesday

I would like to have your comments not later than COB Thursday

Thank you for all your work on this CARC

Regards

JR
